Richmond, VA 23219

Gentlemen:

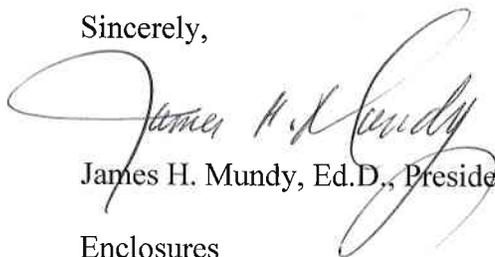

Enclosed is Lynchburg Community Action Group, Inc.'s application for funding under the Community Services Block Grant for the provision of services in the six (6) county area including: Amelia, Buckingham, Cumberland, Lunenburg, Nottoway and Prince Edward.

We are proposing to expand our service area to include these counties and are excited about the opportunity to restore a wide array of services and programs to the low-income population there in order to help eliminate poverty and foster self-sufficiency. We will be offering services and programs that meet the requirements of Subtitle B of the Community Services Block Grant Program.

Lyn-CAG has been in operation over 40 years and is in good financial standing. We believe we have the organizational capabilities to receive and administer the additional public grant funds on a reimbursable basis that will be necessary to serve these areas. Several of our existing programs have served clients from these new areas, so we have strong working relationships with other agencies and government entities in the region. As an existing Community Action Agency, we already have a Tripartite Board of Directors and will seek members from the new region to serve on that board.

We will be present at the Public Hearing on September 23, 2014, to make a 20-minute presentation on our proposal. We agree to fully participate in a site visit, as described in your RFA. Thank you for the opportunity to apply for these funds.

Sincerely,

James H. Mundy, Ed.D., President & CEO
