Subject: Information/Instructions Regarding Use of ALF Training Regulations Chart

This file is being sent to providers of assisted living facilities from the Virginia Department of Social Services Email Distribution Service.

*****Please do not reply to this email.*****

This email is to inform you that the ALF Training Regulations Chart on the public website of the Virginia Department of Social Services has been replaced with a version that provides links between the standard references in the chart and the actual standards. The purpose of the links is to allow you to easily refer to the actual standard for any of the references in the chart and then quickly move back to that reference in the chart. There are no changes other than the provision of links.

To refer to the actual standard or part of the standard, click the link on the chart and it will take you to the standard or part of the standard. To get back to where you were on the chart, click the "back to chart" link, which is found at the end of the standard or part of the standard. When there is more than one reference to a particular standard or part of the standard in the chart and the references are on different pages of the chart, the appropriate page numbers have been added directly after the "back to chart" link and you should click on the page number to which you wish to return.

You may access the ALF Training Regulations Chart in the ALF section of the VDSS website, under Current ALF Providers, Guidance and Procedures, or at:

http://www.dss.virginia.gov/files/division/licensing/alf/intro_page/current_providers/guidance_procedures/all_other/trng_reg_chart.pdf
