Subject: Standards for Licensed Child Day Centers - Technical Assistance

This file is being sent to providers of child day centers and short-term child day centers from the Virginia Department of Social Services Email Distribution Service.

Please do not reply to this email.

Dear Child Day Center Providers:

Attached you will find the latest edition of the **technical assistance** for the *Standards for Licensed Child Day Centers (CDC – TA)*.

This edition of the **CDC TA** has been:

- **renumbered** (22VAC40-185) to coincide with the newly renumbered *Standards for Licensed Child Day Centers* (CDC)
- **updated** with new TA answered in the past year, AND
- **reformatted** for easier reading. All new or revised TA questions and answers (Q/A) are now in **BOLD** font. All previously existing TA Q/A are in a regular font.

PLEASE print and/or save electronically THIS version. **All previous versions of the CDC TA are now obsolete.**

In addition, the Division of Licensing Programs web pages have been reformatted to place the CDC TA with the CDC Standards and Code References.

To view or download the *Standards for Licensed Child Day Centers – Technical Assistance* on the web, visit our home page at: <http://www.dss.virginia.gov/> and select:

- **Children** (from the light blue header line); then select
- **Child Care facilities**; then select
- **Child Day Centers** from the *Learn About Child Day Care* Box

The CDC Standards and Technical Assistance documents are located under the

- **Applicable Regulations, Technical Assistance & Code References** section
